

AVD Fire Suppression Kit

Large & Small

SB-034-REV-A

The Sea-Fire AVD Suppression Kit is the perfect solution for the effective control and suppression of Lithium-ion battery fires. Equipped with a choice of Sea-Fire AVD extinguishers this fire resistant bag is designed using technical fabrics to withstand temperatures in excess of 1,000°C.

The kit provides the initial extinguisher to suppress the fire and a bag for the safe suppression and removal of the extinguished device. Typical applications are mobile phones, tablets, and laptops.

Provides

- Safe storage of extinguished devices
- Reduces risk of explosion after fire has been extinguished
- Withstands temperatures in excess of 1,000°C

Kit includes

- Fire resistant bag with flame arrestor
- Choice of Sea-Fire AVD extinguisher options from the Aerosol, 1 litre and 2 litre units
- Safety gloves
- Safety glasses
- N.B. Colour of gloves may vary due to stock availability
- Kit can be supplied without an extinguisher
